PLEASANT HILL, MO.

Mr. Samuel P. Wilkerson was born in Jefferson County, Cole County, Mo. in the year of 1846 and died April 16, 1915. He was married to Miss Eliza Evans Nov. 28, 1872 to which union twelve children were born, seven of whom are living. The life of Mr. Wilkerson was that of a Christian gentleman, although he had not lived in the church all of his life and he felt obliged to die. He had been in poor health for about three years and bore his illness patiently and cheerfully until the day of his death. He has always been a kind and loving husband and father. He leaves a devoted wife, two daughters and five sons, grand children, and other relatives and many friends to mourn his loss. The writer has said: "No blessing are yet whose toils are ended who through death have unto God ascended. Sweet as the tender fragrance that survives when martyred flowers breathe out their little lives. Sweet as a song that once consoled but never will be sung to us again, is thy remembrance, know the hour of rest hath come to thee, sleep darling it is best; sleep on in your palace of gold where the membership is composed of holy angels where the wicked do not trouble, where sorrow and trials shall be no more."

CARD OF THANKS.

We wish to extend our sincere thanks and gratitude to our neighbors and friends for the many deeds of kindness and courtesies extended to us during the illness and the hours rendered so sad in the death of our husband and father.

The recital given at the High School auditorium last Friday night by Miss Mazie Woodson and Miss Helen Minnis of Western University, Quindaro, Kansas, who have learned most exquisitely the art of development was appreciated by a large and intelligent audience. We were reminded that music like all our gifts is given us in the germ. It is for us to unfold and develop it by instruction and cultivation.

We hate to lose these persons who during their

lives here made many friends. Mr. B. P. Smart was called away Monday on business. If you are looking for joy and bliss. And willing to aid the work begun. The progress of the race don't miss. But subscribe now for the progressive K. C. Sun.

The Value of Life Insurance to Colored People.

Is a text from which a little sermon could well be preached in every colored church in America.

The man who carried \$50 to \$200 in a weekly benefit society or a secret society on the assessment plan earned enough and could easily have paid the premium on \$1,000 to \$5,000 in an old line legal reserve life insurance company whose rates are fixed and subject to no assessment, if he only had known.

He could have made impossible the long hours of bending over a needle or the cook stove or the wash tub that came to his widow, if he had carried the necessary amount of life insurance. He could have assured his beautiful daughter the education she desired, the amusements she wanted, the clothes she craved—and which she got, somehow. He could have kept his boy in school and he would have grown up a credit to the memory of his father, a respected citizen of his community, and a successor to his father's business, instead of the wanderer or mental or ne'er-do-well. He could have changed the destiny of every member of his family! He had it in his power to make them bless his memory or bewail his shortsightedness! What a tremendous responsibility!

You can secure to those you love future independence, you can protect your obligations, you can save your business if, while you are alive, sound and well—and that is NOW—you secure the necessary amount of life insurance.

You can secure this life insurance in a strong, well managed life insurance company which has met every requirement demanded of it, owned, organized and operated by our people, the only one of its kind in the world, at rates within your reach if you act today. No matter where you live we can protect you. Tear off this coupon and mail it today to
